MU TEC

GERMANY'S LARGEST INTERNATIONAL TRADE FAIR FOR MUSEUM AND EXHIBITION TECHNOLOGY

**MUTEC is where the
future of the museum
industry starts!**

Every two years, museum industry professionals come together to be part of the largest international event in Germany for museum technology, innovation and trends.

NEW TRADE FAIR CONCEPT

Starting in 2024 the International Trade Fair for Museums and Exhibition Technology will be redesigned. It is moving into its very own exhibition hall and will be focusing on two eventful days packed with interactive experiences.

THIS IS WHAT YOU CAN EXPECT:

- Highly qualified professional visitors
- A wide-ranging conference programme with various formats
- Networking opportunities with German and international museum associations
- Benefit from the denkmal - the leading European trade fair for conservation, restoration and old building renovation - which will be taking place in the neighbouring exhibition hall

KEY FACTS MUTEC 2022:

121 exhibitors from
13 countries

12,800 visitors from
32 countries*
